HSC Registered Student Organizations

- Registered Student Organizations are not entities of OU, and their activities are not sponsored or endorsed by OUHSC.
- Registered Student Organizations operate with guidance from faculty/staff advisors but are not part of the legal entity of the University.
- The groups’ purpose and activities are not sponsored or endorsed by OU. The University recognizes these groups as independent entities but grants them certain advantages through affiliation (registration) with the University.
- Common RSOs at the Health Sciences Center are student affiliates of state or national professional associations. Though these groups are comprised of HSC students and often academic/professional in nature, the connection to external associations precludes them from being recognized as entities of the University.
USE OF UNIVERSITY TRADEMARKS

The trademark process allows the University the opportunity to ensure the proper use of its name and trademarks.

In order to be eligible to use University Trademarks, student organizations must be registered with the HSC Student Affairs. A digital copy of the Trademark Licensing Approval Form is located on the HSC Student Affairs website under Forms, Handbooks & Policies: students.ouhsc.edu/FormsandPolicies

WHAT YOU NEED TO KNOW

• How does the money get to the OUHSC Student Government Association (HSC SGA) account?

• How can you register your student organization if you have not already done so?

• How can a registered student organization request funding from the OUHSC Student Government Association?
HOW DOES THE MONEY GET THERE?

• You pay tuition which includes $3.50 for student activity fees per hour of class.
  ◦ HSC Student Government Association receives about $0.35 from each hour adding up to ~$30,000
  ◦ The rest goes to your college's student council/association

• In other words, 90% of the activity fees go back to your college’s student council and 10% stays with HSC Student Government Association for campus-wide allocation and programming.
WHY IS THE MONEY THERE?

• HSC Student Government Association provides funding to registered student organizations, especially for:
  ◦ Organizations that don’t fit neatly into one college
  ◦ Organizations that want to reach out to students beyond their own college and into the surrounding community
You MUST register your student organization with HSC Student Affairs BEFORE you can request funding!

For instructions, visit: students.ouhsc.edu/organizations for more information on registering your group.
• Requesting HSC SGA Funds occurs through a digital form that can be found in the HSC Daily News.

• Alternatively, you can access the funding application through the OUHSC website
  ◦ students.ouhsc.edu/organizations
What information do I need for a funding request?

- The following fields are required on the online form:
  - Goals and Objectives
  - Examples of current and past activities
  - Describe proposed activities
  - How will proposed activities benefit OUHSC students beyond membership of your organization?
  - Outside funding sources
  - Who will be responsible for expenditure of funds?
  - Who will be the contact for providing SGA summary of activities?
  - Request budget details
What happens after you apply for funding?

• How is the budget allocation decided?
• How do you receive your funds?
• Who can you go to with questions?
The Budget Committee meets to allocate funding. The Budget Committee consists of:

- HSC Student Government Association Treasurer
- Treasurer from each college
- Any member of the Executive Council or Senate
HOW THE COMMITTEE DECIDES

The Budget Committee uses an application score sheet and bases their decision on:

- Scope of organization
- Quality of application
- Other sources of funding
Score of 1-5 (Below Avg.-Excellent) in the following categories:

• Proposed activities will strengthen the OUHSC community...

• Proposed budget is reasonable...

• The organization is likely to use allocated funds...
You are MORE LIKELY to get funding if...

• Organization is open to members from across the campus

• The activities you are requesting funds for are open to students across the campus

• Your organization has shown good use of the funds previously allocated.
LESS LIKELY to get funding...

• Organizations with a history of not spending their allocations

• Don’t submit budget request on time

• Organizations that are limited in scope and activities (only requesting funding for food at meetings)
HOW IS THE BUDGET DECIDED

Budget allocation is agreed upon by the Budget Committee, then...

Budget is presented to HSC Student Government Association Executive Council for approval (September 11, 2023)

Budget is presented to and voted on by the HSC Student Senate (September 12, 2023)
