
OU HEALTH CAMPUS STUDENT GOVERNMENT ASSOCIATION

2026-27 REGISTERED STUDENT ORGANIZATION FUNDING ALLOCATIONS

HOW FUNDING WORKS

Student Activity Fees fund student organizations. Ten percent of fee revenue is allocated to SGA for distribution to RSOs, while 90 percent is distributed directly to the colleges. Because campus-wide organizations often do not have a single college funding source, SGA traditionally prioritizes funding organizations that serve students campus-wide.

REVIEW PROCESS

All applicants were required to attend an SGA Funding Meeting and review funding guidelines. On September 14, 2026, the SGA Treasurer and college treasurers met to review requests and recommend allocations, ensuring every college was represented. On September 15, 2026, the SGA Senate voted to approve the final allocations.

FUNDING ACCESS & UTILIZATION TIMELINE

Allocated funds will become available for use on October 1, 2026. Organizations will have until mid-September 2027 to utilize their allocated funds. Organizations are encouraged to plan events and expenditures accordingly and follow all university, college, and SGA financial policies and procedures.

CAMPUS-WIDE ORGANIZATIONS – \$23,425

American Geriatrics Society Student Chapter	\$150	Medical Spanish Interest Group	\$100
