The University of Oklahoma Board of Regents unanimously voted May 9 to name Joseph Harroz Jr. the university’s 15th president.

“This is more than a promotion or a dream job to me,” Harroz said. “It’s a chance to pay back the debt I owe our university. OU changes lives every day. I know firsthand because it changed mine. I wouldn’t be who I am if not for the education my father – the son of Lebanese immigrants – received at OU, and the education that I also received from this extraordinary institution.”

A native Oklahoman, Harroz earned a bachelor of arts in economics from OU in 1989, graduating Phi Beta Kappa, and a juris doctorate from Georgetown University in 1992. Harroz rejoined the University of Oklahoma in 1994, the beginning of nearly 25 years of service to the university. He served first as vice president for executive affairs and then for 12 years as general counsel, the chief legal counsel to the president, the OU Board of Regents, Rogers State University and Cameron University.

In 2008, Harroz became president of a publicly traded health care company, growing its market capitalization to more than $80 million, before returning to OU in 2010 as the dean and director of the OU Law Center and Fenelon Boesche Chair of Law. Harroz has taught law for more than two decades, focusing on employment, sports and health care law.

Throughout his nine-year tenure as dean, the OU College of Law earned record national recognition, including the highest-ever U.S. News & World Report ranking by any Oklahoma law school and the first law school in the nation to achieve Apple Distinguished School status (Apple, Inc.). Under Harroz, National Jurist Magazine named OU Law one of the nation’s “Best Value Law Schools” for 10 consecutive years, and its graduates consistently led the state in bar exam passage rates. In addition, his fundraising efforts more than tripled the size of the college’s scholarship endowment and expanded the annual amount of scholarship money given to students to more than $1.5 million.

At OU Law, Harroz also led efforts to create new joint degree and certificate programs to enhance the J.D., instituted a pro bono service commitment for all law students and launched the nation’s first-ever law school Digital Initiative, preparing students for success in the 21st century legal profession.

“I count it an immense privilege to serve my alma mater and our state’s flagship public research university as its president,” Harroz said. “Throughout its 130-year history, OU has been a beacon of excellence and opportunity. As President, I pledge to work tirelessly with you – our students, faculty, staff, alumni and friends – to be worthy of our extraordinary legacy. Together, we can realize the full potential of our Purpose to change the lives of each next generation of students and to impact the world through what we discover and create.”

Harroz, a grandson of Lebanese immigrants to Oklahoma, is father to Joseph, Zara and Jude and partner to Ashley Tate.
JASON SANDERS, MD, MBA
SENIOR VICE PRESIDENT AND PROVOST

“We are thrilled you have joined the Sooner family. You have worked hard to get here and we are committed to your success. Leave a legacy - inspire your fellow learners and transform your patients’ lives. Thank you for choosing to be a part of our community.”
When did you start at OU?
Day one as a Sooner was 1996 at Camp Crimson.

When did you join OUHSC?
In 2013 and have served as Senior Vice President and Provost since 2015.

What is your favorite song to play in the car?
My Spotify playlist has U2 and lots of 80’s beats.

Where did you meet your wife, Tammy, and when did you marry?

Do you have children?
Yes, Will was born in 2007 and Luke was born in 2010, both in Boston.

Which event in the past, present, or future would you like to witness in person?
Luke and Will becoming husbands and fathers.

What is your educational background?
B.S. in Biochemistry at OU, followed by a M.A. in English Language and Literature, Trinity College, Oxford University on a Rhodes Scholarship, then MD and MBA at Harvard Medical and Business School.

Where did your business and medicine training lead you?
I had the opportunity to do healthcare consulting at McKinsey & Company, a global management consulting firm.

Where did you do your residency?
Massachusetts General Hospital in Internal Medicine.

College of Medicine

Advice.
Make an effort to meet people outside of your program and put in the effort every day. Don’t forget to make time for yourself and keep in contact with undergraduate and high school friends. Have fun and work hard.

Nichole Krug
SGA Secretary
College of Pharmacy

Advice.
Find your healthy school-life balance: work hard when studying, then remember to enjoy life outside of school. Your balance may look different from others’, so don’t compare yourself!

Gustavo Martinez
SGA Treasurer
College of Allied Health

Advice.
Say “YES” to involvement in beyond the classroom opportunities!

Eric Edwards
Campus Activities Board Chair
College of Medicine

Advice.
Make sure you ask questions to know everything that is going on and what’s available to you. Make time for yourself, yes school is stressful but you are human, not a robot, make sure you do things you enjoy.
OUHSC encourages students, faculty, and staff to take positive steps when they see others taking actions that are not consistent with University policy related to COVID-19. Because it’s not always easy to have a conversation that may appear accusatory or confrontational, HSC Student Affairs and Human Resources have developed these conversation tips.

How you say something is just as important as what you say. Empathy and compassion are helpful communication styles and can be an effective approach during these challenging times.

**When You See Someone on Campus Without a Mask**
- For Students: Your health is really important to me. Did you know wearing a mask on campus is required and you can get a mask from HSC Student Affairs or OU-Tulsa Student Affairs? No charge!
- For Employees: Your health is really important to me. Has your department made masks available to its employees yet? If not, remind them to complete a Mask Request Form.
- For All: If you’re looking for masks, there are stations at the HSC Student Union Welcome Desk and on the 3rd floor in HSC Student Affairs. Stay safe!
- For All: I am wearing my mask to take care of those who are immunocompromised. Will you join me?

**When Greeting and Approaching Others on Campus**
- Hi! I’m not shaking hands due to the virus, but it is a pleasure to meet you.
- Hello! I’m avoiding contact, but it’s great to meet you.
- I would feel terrible if we got one another sick. Let’s keep our 6-foot distance for now.
- I’m keeping distance right now, but I am happy to see you.
- I’m so glad to see you. Here is an air high five.

**When People are Not Social Distancing**
- Pardon me while I try to keep a safe distance.
- Hey friends, I saw a larger table available on the second floor if you need more space for studying. Stay safe!
- Pardon me, would you mind sneezing/coughing into your elbow or the other direction, please?
- It’s getting a tad crowded here, would you all mind relocating, as the seating here is limited? Remember, 6 feet!
- Please let me know when you are finished in this shared space so I can come back - I know we all want to maintain proper social distancing.
- Let’s be safe. I’ll catch the next elevator!
- I understand you are not worried, but I’ve decided to continue practicing social distancing and am not yet comfortable with being closer than 6 feet. Do you mind maintaining the 6-foot recommendation?

**Expressing Thanks to Those Following University COVID-19 Policy**
- Thank you for being so considerate of others and wearing a mask.
- I appreciate your keeping your distance for the health of all.
- Thank you for modeling safe COVID-19 practices!
- Love your mask. Thanks for wearing it!

Employees and students who refuse to comply with the OUHSC COVID-19 Return Plan guidelines are subject to disciplinary action, in accordance with the applicable faculty, staff, or student handbook policy. If an employee or student indicates compliance is not possible due to medical reasons, the individual should be referred to the appropriate University office to request accommodations on the basis of disability (Human Resources for employees; Accessibility & Disability Resource Center for students). Vendors, visitors, and patients who refuse to comply with this Return Plan are subject to having their access to campus suspended or terminated.
¡Hola mi nombre es Gustavo Martinez y soy un estudiante de fisioterapia bilingüe! ¡Es un placer compartir con ustedes mi experiencia en la Universidad de Oklahoma Centro de Ciencias de la Salud (OUHSC)!

Empecé mis cursos en junio de 2018 y he disfrutado a lo máximo mi tiempo aquí. En el transcurso de los años he visto el interés y amor que brinda esta universidad a sus estudiantes y a la comunidad alrededor. He aprovechado de las múltiples herramientas que propone OUHSC para el crecimiento profesional de sus estudiantes. Por ejemplo el departamento de Asuntos Estudiantiles (HSC SA) tienen cursos de liderazgo (Leadership HSC) para desarrollar cualidades necesarias para que estudiantes se entrenen para tomar la delantera. También existe una variedad de organizaciones estudiantiles que se enfocan en diferentes tipos de proyectos.

Yo he estado muy involucrado con varios de estos grupos y uno de ellos es la Asociación Estudiantil de Hispano Americanos (HASA) en el cual he sido Co-Presidente. HASA es una organización con el propósito de enriquecer la comunidad universitaria con las costumbres, culturas y lenguaje Hispano. Hemos tenido clases de español y baile para los estudiantes durante el pasado año. A la vez también hemos apoyado actividades que fortalecen la comunidad Hispana alrededor. Hemos participado en ofrecer servicios de interpreté en proyectos relacionados con la salud.

Mi tiempo aquí ha sido tan impactante y he crecido de muchas maneras. Lo que yo aconsejo si usted decide inscribirse aquí es que aparte de tomar sus estudios en serio. Encuentre maneras de involucrarse en actividades más allá de la clase. Estas oportunidades te ayudarán para conocer a gente de diferentes antecedentes y profesiones. No temas en decir que “¡Si, aquí estoy yo!” para las oportunidades porque al otro lado del miedo está el premio. ¡Nuestra comunidad de habla español necesita a personas como usted que tienen empatía, pasión, y habilidades de resolver problemas! ¡Por eso yo decidí hacerme un profesional de salud para mejorar la salud y bienestar de nuestra comunidad!

INTELLIGENT LIVING
SIX DIMENSIONS OF WELLNESS

Similar to your healthcare-focused curriculum, the journey toward excellence in wellness requires an intentional emphasis on the big picture of your choices and life management.

Prevent burnout, feelings of low energy, and the impact of trauma events by balancing and embracing each of the Six Dimensions of Wellness: physical, emotional, occupational, spiritual, social, and intellectual wellness.

Maintaining proper care for yourself is a great step toward ensuring the best possible outcomes for those whom you will care for in the future.

Dedicated to your overall success, HSC Counseling Services will provide opportunities to experience and enjoy each of the Six Dimensions of Wellness through campus wide programming. Keep an eye out for the HSC Intentional Living icons within campus promotional items and the HSC Daily News.

This includes temporary changes in operating hours and certain accommodations of services, including increased virtual accessibility. Service updates will be communicated promptly online.
Is counseling available online?
In response to University, state, and national guidelines, HSC Student Counseling Services is conducting all sessions via Zoom.

Is there a charge for sessions?
Anyone who is a student at the University of Oklahoma Health Sciences Center may utilize Counseling Services and the cost is part of your student fees. There is a fee for certain psychological assessments.

What are some ways Student Counseling Services can help?
- Manage stress
- Develop a healthy self image
- Work through conflicted emotions
- Deal with life transitions and disappointments
- Improve relationship dynamics, individually or with your partner
- Adjust to a new environment and academic demands

What should I expect when I make an appointment?
Call (405) 271-7336 or email counselors@ouhsc.edu to set up an appointment. In the first appointment, you will complete paperwork and meet with your counselor for one hour to discuss goals for future sessions. Each session following lasts 45-55 minutes.

Are my sessions private?
By law we cannot let anyone know that you have utilized our services unless under very specific circumstances and even in those situations, only the relevant information to the relevant individuals will be released.

SOCIAL DISTANCING

Your safety is our priority, and we are all taking all necessary precautions in the preparation and delivery of meals. This includes guidance on social distancing while in line and in dining spaces, and increased availability of pre-packaged items. To ensure safe and quick delivery of food, Grab and Go options are available at both restaurants.
Where is the parking office located and what are the business hours?
Onsite operations of the Parking & Transportation Services will be suspended on campus, however all parking services will be available remotely. Parking employees will be answering phones, voicemail, and email. If you have a question for a particular staff member please contact them directly via email. Emails will be returned no later than than next business day.

We are located in Research Park 825, First Floor #115. We are open from 7:30 AM - 5 PM, M-F.

Do I have to purchase a parking permit?
Any employee or student who wishes to park a motor vehicle in any of the parking lots operated by the Health Sciences Center must have a parking permit and decal. Contact the Parking Office for the permit that best fits your need.

Can I park in patient or visitor parking?
No, unless you are being seen as a patient and have notified the Parking Office in advance. A “visitor” is defined as any person, to include patients, unaffiliated with the organizations and entities of the Oklahoma Health Center as an employee, doctor, student, vendor, office occupant, or tenant.

What if I forget my hangtag or drive a different vehicle?
Park in the same place you usually park. Use the call box to get into the lot or garage if needed. Then use one of these three options:
• Call the Parking Office at (405) 271-2020
• Email us at parking@ouhsc.edu
• Use the “Leave Alone List” link on the OUHSC Parking website

We will need a description of the car you are driving, the license plate number, and which lot you will be parked in.

What are the shuttle routes?
A live GPS shuttle tracker is available at ouhsc.edu/transit.

What do I need to do so I don’t get a citation?
Citations are given for violations of the OUHSC Parking Rules & Regs.

If you have questions, contact the parking office at (405) 271-2020. Citations must be paid or appealed within 10 days to avoid additional late fees. Citations may be paid in person at the Parking Office, by mail, or online at: ouhsc.edu/parking.

Information for appealing a citation can be found at: ouhsc.edu/parking.

For credit card security reasons, we cannot accept credit card payments by phone.

sexual misconduct

The University is committed to creating and maintaining a community where all persons who participate in University programs and activities can work and learn together in an atmosphere free from all forms of harassment, exploitation, or intimidation.

students.ouhsc.edu/Sexual-Misconduct

The University of Oklahoma is an institution built upon honor, integrity, trust, and respect. Consistent with these values, the University is committed to providing a safe and non-discriminatory learning, living, and working environment for all members of the University community. The University of Oklahoma does not discriminate on the basis of sex or gender in any of its education or employment programs and activities. As discussed more fully below, the University's Sexual Misconduct, Discrimination, and Harassment Policy prohibits all forms of sexual harassment, sexual violence, sexual exploitation, relationship violence (domestic violence and dating violence), stalking, and retaliation.

Know the Policy

University policy prohibits:

- Sexual Harassment: Unwelcome and discriminatory speech or conduct undertaken because of an individual's gender or is sexual in nature and is so severe, pervasive, or persistent, objectively and subjectively offensive that it has the systematic effect of unreasonably interfering with or depriving someone of educational, institutional, or employment access, benefits, activities, or opportunities.

- Sexual Violence: Physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent.

- Consent: The act of willingly and verbally agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what they are doing. "No" always means "No," and the absence of "No" may not mean "Yes." In order to give effective consent, one must be of legal age and have the capacity to consent. Incapacity may result from mental disability, intellectual disability, unconsciousness, age, or use of alcohol, drugs, medication, and/or other substances. In addition, coercion cannot be used to gain consent. Coercion is defined as the act of using pressure (including physical pressure, verbal pressure or emotional pressure), alcohol, medications or drugs, or forced to have sexual contact against someone's will or with someone who has already refused.

- Sexual Exploitation: Taking consensual, unjust or abusive sexual advantage of another.

- Dating/Domestic Violence: Violence, including assault, battery or other physical abuse between those in an intimate or dating or romantic relationship with each other.

- Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or causes substantial emotional distress.

- Retaliation: Any attempt to penalize or take an adverse employment, educational or institutional benefit action because of participation in a complaint.

Know what to do if you or a friend experiences sexual violence

If you or someone you know has safety concerns or needs medical attention, call 911 or go to a local emergency room immediately. Victims of sexual assault may also consider obtaining a forensic exam. The OKC Rape Crisis Center (RCC) or the YWCA in Oklahoma City offers these exams. The RCC also has advocates on-call 24/7. An advocate from OU can accompany the victim to the exam.

After a sexual assault or other sexual misconduct incident, a victim has many options and an OU Advocate can explain these options and provide support. OU Advocates serve as a confidential reporting resource to the University community in cases of sexual assault/misconduct, relationship violence, harassment or stalking. Advocates are available 24/7 to help navigate the administrative, medical, law enforcement and legal systems. OU Advocates can also assist victims with on-campus housing changes, academic assistance, and other remedial measures. They also provide immediate emotional support and can assist with referrals for other helpful services. To contact OU Advocates, please call (405) 615-0013.

HSC Student Affairs can also be a helpful resource by (i) providing support and counseling services to sexual misconduct/violence victims (faculty, staff or students), (ii) informing victims of available campus resources and disciplinary processes, (iii) providing advocates or other support to victims, (iv) conducting education programs to enhance awareness of sexual misconduct/violence on campus, and (v) providing information regarding the right to file a criminal complaint. To contact HSC Student Affairs, please call (405) 271-2416.

To file a report and commence an administrative investigation by the University, contact the Title IX/Sexual Misconduct Office at (405) 271-2110 or faustina-layne@ouhsc.edu. You can also complete an online complaint form at www.ou.edu/eoo. For a printed brochure regarding the Sexual Misconduct, Discrimination and Harassment Policy, please call (405) 271-2416. Please note that the University’s policy is applicable, and resources are available, during a person’s entire HSC educational and/or employment experience.

Know your Rights

Sexual misconduct/violence victims have the right:

- To be informed of all reporting options
- To be free from pressure to make a criminal report
- To have allegations of sexual misconduct investigated by the appropriate criminal, civil and/or campus authorities
- To be notified of existing campus and community medical, counseling, and mental health services whether or not an incident is reported to campus or civil authorities

For more information, go to: ou.edu/content/eoo/faqs/faqs-for-students.html, “Statement of the Rights of the Alleged Victim.”

To minimize in-person contact and reduce COVID-19-related risks, OU IT has designed a new Student Virtual Desktop that **eliminates the need for incoming students to bring their laptops to the Device Security Clinic in the Student Union** for encryption and enrollment in our security program.

**Incoming students or existing students with new devices can request access to the Student Virtual Desktop at:** [http://ouhsc.edu/sde](http://ouhsc.edu/sde).

OU IT will grant student access within 24 hours of request submission.

Students can log in at [https://mydesk.ou.edu](https://mydesk.ou.edu). For log in details, check out the MyDesk article here: [https://ouitservices.service-now.com/kb_view.do?sysparm_article=KB0012079](https://ouitservices.service-now.com/kb_view.do?sysparm_article=KB0012079).

### Encryption and Anti-Virus

All students should continue to encrypt their devices with Windows 10 and MacOS encryption tools and install anti-virus software. We have provided instructions and recommendations below:

**Windows 10 Encryption | MacOS Encryption | Anti-Virus Software**

### Program Details

**Incoming students or existing students with new devices** can complete work requiring Protected Health Information and gain access to general applications like Office, Adobe Reader, SPSS, SAS, and Centricity EMR, as well as specialized departmental software where needed, through this new Student Virtual Desktop.

Work that does not require regulated data, such as attending Zoom lectures or accessing D2L coursework, can be completed on the student’s computer without connecting to the Virtual Desktop.

**Existing students with encrypted devices** do not need to make any changes. They can continue accessing campus resources as before. We will offer options to transition these students from the centrally-managed program to the Student Virtual Desktop later this year.

**Employees, including Resident trainees**, are still subject to managed device encryption facilitated through college-level IT support.
