EQUAL OPPORTUNITY

The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices or procedures. This includes, but is not limited to: admissions, employment, financial aid, housing, services in educational programs or activities, or health care services that the University operates or provides.

Inquiries regarding non-discrimination policies may be directed to: Faustina Layne, Associate Equal Opportunity Officer and Interim Title IX Coordinator, (405) 271-2110, Faustina- layne@ouhsc.edu, or visit ou.edu/eoo.html.

For accommodation on the basis of disability, please contact Student Affairs at (405) 271-2416.
JASON SANDERS, MD, MBA
SENIOR VICE PRESIDENT AND PROVOST

We are thrilled you have joined the Sooner family. You have worked hard to get here and we are committed to your success.

Leave a legacy - inspire your fellow learners and transform your patients’ lives.

Thank you for choosing to be a part of our community.

15th president

JOE HARROZ, JD

The University of Oklahoma Board of Regents unanimously voted May 9 to name Joseph Harroz Jr. the university’s 15th president.

“This is more than a promotion or a dream job to me,” Harroz said. “It’s a chance to pay back the debt I owe our university. OU changes lives every day. I know firsthand because it changed mine. I wouldn’t be who I am if not for the education my father – the son of Lebanese immigrants – received at OU, and the education that I also received from this extraordinary institution.”

A native Oklahoman, Harroz earned a bachelor of arts in economics from OU in 1989, graduating Phi Beta Kappa, and a juris doctorate from Georgetown University in 1992. Harroz rejoined the University of Oklahoma in 1994, the beginning of nearly 25 years of service to the university. He served first as vice president for executive affairs and then for 12 years as general counsel, the chief legal counsel to the president, the OU Board of Regents, Rogers State University and Cameron University.

In 2008, Harroz became president of a publicly traded health care company, growing its market capitalization to more than $80 million, before returning to OU in 2010 as the dean and director of the OU Law Center and Fenelon Boesche Chair of Law. Harroz has taught law for more than two decades, focusing on employment, sports and health care law.

Throughout his nine-year tenure as dean, the OU College of Law earned record national recognition, including the highest-ever U.S. News & World Report ranking by any Oklahoma law school and the first law school in the nation to achieve Apple Distinguished School status (Apple, Inc.). Under Harroz, National Jurist Magazine named OU Law one of the nation’s “Best Value Law Schools” for 10 consecutive years, and its graduates consistently led the state in bar exam passage rates. In addition, his fundraising efforts more than tripled the size of the college’s scholarship endowment and expanded the annual amount of scholarship money given to students to more than $1.5 million.

At OU Law, Harroz also led efforts to create new joint degree and certificate programs to enhance the J.D., instituted a pro bono service commitment for all law students and launched the nation’s first-ever law school Digital Initiative, preparing students for success in the 21st century legal profession.

“I count it an immense privilege to serve my alma mater and our state’s flagship public research university as its president,” Harroz said. “Throughout its 130-year history, OU has been a beacon of excellence and opportunity. As President, I pledge to work tirelessly with you – our students, faculty, staff, alumni and friends – to be worthy of our extraordinary legacy. Together, we can realize the full potential of our Purpose to change the lives of each next generation of students and to impact the world through what we discover and create.”

Harroz, a grandson of Lebanese immigrants to Oklahoma, is father to Joseph, Zara and Jude and partner to Ashley Tate.
When did you start at OU?
Day one as a Sooner was 1996 at Camp Crimson.

When did you join OUHSC?
In 2013 and have served as Senior Vice President and Provost since 2015.

What is your favorite song to play in the car?
My Spotify playlist has U2 and lots of 80’s beats.

Where did you meet your wife, Tammy, and when did you marry?

Do you have children?
Yes, Will was born in 2007 and Luke was born in 2010, both in Boston.

Which event in the past, present, or future would you like to witness in person?
Luke and Will becoming husbands and fathers.

What is your educational background?
B.S. in Biochemistry at OU, followed by a M.A. in English Language and Literature, Trinity College, Oxford University on a Rhodes Scholarship, then MD and MBA at Harvard Medical and Business School.

Where did your business and medicine training lead you?
I had the opportunity to do healthcare consulting at McKinsey & Company, a global management consulting firm.

Where did you do your residency?
Massachusetts General Hospital in Internal Medicine.

SGA IN OKC 2020-2021

- Gustavo Martinez, SGA Treasurer, College of Allied Health,
  Advice: "Say YES" to involvement in beyond the classroom opportunities!

- Lauren K. Sinko, SGA President, College of Pharmacy,
  Advice: There are so many resources on campus, so take advantage of them while you can! Also, don’t forget to make time for yourself.

- Nichole Krug, SGA Secretary, College of Pharmacy,
  Advice: Find your healthy school-life balance: work hard when studying, then relax and enjoy life outside of school.

- Eric Edwards, Campus Activities Board Chair, College of Medicine,
  Advice: Make sure you ask questions to know everything that is going on and what’s available to you. Make time for yourself, yes school is stressful but you are human, not a robot, make sure you do things you enjoy.

- Clark Higganbotham, SGA Presidential Chair, College of Medicine,
  Advice: Make an effort to meet people outside of your program and put in the effort every day. Don’t forget to make time for yourself and keep in contact with undergraduate and high school friends.

- Clark Higganbotham, SGA Presidential Chair, College of Medicine,
  Advice: Make an effort to meet people outside of your program and put in the effort every day. Don’t forget to make time for yourself and keep in contact with undergraduate and high school friends. Have fun and work hard.

- Gustavo Martinez, SGA Treasurer, College of Allied Health,
  Advice: "Say YES" to involvement in beyond the classroom opportunities!

- Lauren K. Sinko, SGA President, College of Pharmacy,
  Advice: There are so many resources on campus, so take advantage of them while you can! Also, don’t forget to make time for yourself.

- Nichole Krug, SGA Secretary, College of Pharmacy,
  Advice: Find your healthy school-life balance: work hard when studying, then relax and enjoy life outside of school. Your balance may look different from others’, so don’t compare yourself!
OUHSC encourages students, faculty, and staff to take positive steps when they see others taking actions that are not consistent with University policy related to COVID-19. Because it's not always easy to have a conversation that may appear accusatory or confrontational, HSC Student Affairs and Human Resources have developed these conversation tips.

How you say something is just as important as what you say. Empathy and compassion are helpful communication styles and can be an effective approach during these challenging times.

When You See Someone on Campus Without a Mask

- For Students: Your health is really important to me. Did you know wearing a mask on campus is required and you can get a mask from HSC Student Affairs or OU-Tulsa Student Affair? No charge!
- For Employees: Your health is really important to me. Has your department made masks available to its employees yet? If not, remind them to complete a Mask Request Form.
- For All: If you're looking for masks, there are stations at the HSC-Student Union Welcome Desk and on the 3rd floor in HSC Student Affairs. Stay safe!
- For All: I am wearing my mask to take care of those who are immunocompromised. Will you join me?

When Greeting and Approaching Others on Campus

- Hi! I'm not shaking hands due to the virus, but it is a pleasure to meet you.
- Hello! I'm avoiding contact, but it's great to meet you.
- I understand you are not worried, but I've decided to continue practicing social distancing and am not yet comfortable with being closer than 6 feet. Do you mind maintaining the 6-foot recommendation?
- Please let me know when you are finished in this space. I'm relocating, as the seating here is limited. Remember, 6 feet!
- I'm keeping distance right now, but I am happy to see you.
- I'm so glad to see you. Here is an air high five.

When People are Not Social Distancing

- Pardon me while I try to keep a safe distance.
- Hey friends, I saw a larger table available on the second floor if you need more space for studying. Stay safe!
- Pardon me, would you mind sneezing/coughing into your elbow or the other direction, please?
- It's getting a tad crowded here, would you all mind relocating, as the seating here is limited? Remember, 6 feet!
- Please let me know when you are finished in this shared space so I can come back. I know we all want to maintain proper social distancing.
- Let's be safe. I'll catch the next elevator!
- I understand you are not worried, but I've decided to continue practicing social distancing and am not yet comfortable with being closer than 6 feet. Do you mind maintaining the 6-foot recommendation?

Expressing Thanks to Those Following University COVID-19 Policy

- Thank you for being so considerate of others and wearing a mask.
- I appreciate your keeping your distance for the health of all.
- Thank you for modeling safe COVID-19 practices!
- Love your mask. Thanks for wearing it!

Employees and students who refuse to comply with the OUHSC COVID-19 Return Plan guidelines are subject to disciplinary action, in accordance with the applicable faculty, staff, or student handbook policy. If an employee or student indicates compliance is not possible due to medical reasons, the individual should be referred to the appropriate University office to request accommodations on the basis of disability (Human Resources for employees; Accessibility & Disability Resource Center for students). Vendors, visitors, and patients who refuse to comply with this Return Plan are subject to having their access to campus suspended or terminated.
¡Hola mi nombre es Gustavo Martinez y soy un estudiante de fisioterapia bilingüe!

¡Es un placer compartir con ustedes mi experiencia en la Universidad de Oklahoma Centro de Ciencias de la Salud (OUHSC)!

Comencé mis cursos en junio de 2018 y he disfrutado a lo máximo mi tiempo aquí. En el transcurso de los años he visto el interés y amor que brinda esta universidad a sus estudiantes y a la comunidad alrededor. He aprovechado de las múltiples herramientas que propone OUHSC para el crecimiento profesional de sus estudiantes. Por ejemplo el departamento de Asuntos Estudiantiles (HSC SA) tienen cursos de liderazgo (Leadership HSC) para desarrollar cualidades necesarias para que estudiantes se entrenen para tomar la delantera. También existe una variedad de organizaciones estudiantiles que se enfocan en diferentes tipos de proyectos.

Yo he estado muy involucrado con varios de estos grupos y uno de ellos es la Asociación Estudiantil de Hispano Américanos (HASA) en el cual he sido Co-Presidente. HASA es una organización con el propósito de enriquecer la comunidad universitaria con las costumbres, culturas y lenguaje Hispano. Hemos tenido clases de español y baile para los estudiantes durante el pasado año. A la vez también hemos apoyado actividades que fortalecen la comunidad Hispana alrededor. Hemos participado en ofrecer servicios de interpretación en proyectos relacionados con la salud.

Mi tiempo aquí ha sido tan impactante y he crecido de muchas maneras. Lo que yo aconsejo si usted decide inscribirse aquí es que aparte de tomar sus estudios en serio. Encuentre maneras de involucrarse en actividades más allá de la clase. Estas oportunidades te ayudarán para conocer a gente de diferentes antecedentes y profesiones. No temas en decir que “¡Sí, aquí estoy yo!” para las oportunidades porque al otro lado del miedo está el premio. ¡Nuestra comunidad de habla español necesita a personas como usted que tienen empatía, pasión, y habilidades de resolver problemas! Por eso yo decidí hacerme un profesional de salud para mejorar la salud y bienestar de nuestra comunidad!

gustavo martinez
SGA TREASURER, 2020-2021

"To minimize in-person contact and reduce COVID-19-related risks, OU IT has designed a new Student Virtual Desktop that eliminates the need for incoming students to bring their laptops to the Device Security Clinic in the Student Union for encryption and enrollment in our security program."

Incoming students or existing students with new devices can request access to the Student Virtual Desktop at: http://ouhsc.edu/sde.

OU IT will grant student access within 24 hours of request submission.

Students can log in at https://mydesk.ou.edu. For log in details, check out the MyDesk article here: https://ouitservices.service-now.com/kb_view.do?sysparm_article=KB0012079.

Encryption and Anti-Virus

All students should continue to encrypt their devices with Windows 10 and MacOS encryption tools and install anti-virus software. We have provided instructions and recommendations below:

Windows 10 Encryption | MacOS Encryption | Anti-Virus Software

Program Details

Incoming students or existing students with new devices can complete work requiring Protected Health Information and gain access to general applications like Office, Adobe Reader, SPSS, SAS, and Centricity EMR, as well as specialized departmental software where needed, through this new Student Virtual Desktop.

Work that does not require regulated data, such as attending Zoom lectures or accessing D2L coursework, can be completed on the student’s computer without connecting to the Virtual Desktop.

Existing students with encrypted devices do not need to make any changes. They can continue accessing campus resources as before. We will offer options to transition these students from the centrally-managed program to the Student Virtual Desktop later this year.

Employees, including Resident trainees, are still subject to managed device encryption facilitated through college-level IT support.
Accommodations
To encourage full participation for students with disabilities and help ensure equal educational opportunity, the Disability Resource Center provides a variety of support services, many of which have been developed in response to expressed student needs.
(405) 325-3852 (voice) | (405) 325-4137 (TDD)
drc@ou.edu | ou.edu/drc/home

Athletics Tickets
For information regarding policies and procedures go to sooneersports.com, select tickets and student tickets. Ticket availability may be impacted for the Fall 2020 Football season.
(405) 256-2424 | sooneersports.com

Bursar Office
The Bursar’s Office provides student account and billing information; receives payments for tuition, fees and other miscellaneous campus charges; provides collection of delinquent accounts; and coordinates student loans and other means of financial aid.
HSC Bursar’s Office is located in Research Park 865, Suite 240
(405) 271-2433 | ouhsbursar@ouhsc.edu
ouhsc.edu/financialservices/bursar

HSC Student Union
The HSC Student Union is open 24/7 for enrolled students. As the “living room of campus” the Union strives to provide a safe, inclusive and active center for campus life. Eat. Meet. Relax.
HSC Student Affairs, HSC Student Union Suite 300, (405) 271-2433

Student Organizations
Get involved on campus and create your legacy! Find more information on our 80+ Registered Student Organizations or start your own. Visit students.ouhsc.edu for a current listing or contact the Student Union.
(405) 271-2416 for more information.

Financial Aid
The Office of Student Financial Aid provides comprehensive information and services regarding opportunities to finance the cost of education at The University of Oklahoma Health Sciences Center. As the office continues to work remotely, email is currently the best way to quickly receive answers to all your questions. Check the FAQ website for updates on hours of operation and services.
Research Park 865, Suite 260.
(405) 271-2118 | financialaid@ouhsc.edu
ouhsc.edu/financialservices/FAQ

Forms, Handbooks, and Policies
The OUHSC Student Handbook is a compilation of the University’s major policies and procedures regarding student academic matters. Visit studenthandbook.ouhsc.edu to access the OUHSC Student Handbook.
Check out students.ouhsc.edu/FormsAndPolicies to access forms and a list of policies.

Printing and Copies
Students can use PaperCut for printing in 5 locations: the HSC Student Union (first and second floor), College of Medicine (BSEB 150, 160-169, 260-269), College of Allied Health (AHB 2040), College of Pharmacy (COP 105) and the Robert M. Bird Library. Learn more about PaperCut at papercut.com.
For multiple copies and color copies, students can use HSC Printing Services.
(405) 325-1829

Student Health Insurance
Effective June 2017, all students enrolled in OUHSC programs must purchase the OUHSC Student Health Insurance Plan or submit a waiver to show alternative coverage via the Student Health Insurance waiver program each semester of enrollment.
General Information: students.ouhsc.edu/HealthInsurance
OUHSC Student Health Insurance Plan: ouhsc.myahpcare.com
Questions regarding specific coverage or conditions should be directed to:
Academic HealthPlans Customer Care | 1-888-934-7758 (toll free)
8:30 AM - 5 PM CST, Monday-Friday

OCCUPATIONAL
Involves balancing school work, jobs, and leisure time. Learning ways to reduce stress, live within your means, and be joyful are essential.

SOCIAL
Refers to the relationships we have and how we interact with others. Social wellness involves building healthy, nurturing and supportive relationships as well as fostering a genuine connection with those around you.

INTELLECTUAL
Living Six Dimensions of Wellness

SIX DIMENSIONS OF WELLNESS
Similar to your healthcare-focused curriculum, the journey toward excellence at OUHSC requires an intentional emphasis on the big picture of your choices and life management.
Prevent burnout, feelings of low energy, and the impact of trauma events by balancing and embracing each of the Six Dimensions of Wellness: physical, emotional, occupational, spiritual, social, and intellectual well-being.
Maintaining proper care for yourself is a great step toward ensuring the best possible outcome for those whom you will care for in the future.

Dedicated to your overall success, HSC Counseling Services will provide opportunities to experience and enjoy each of the Six Dimensions of Wellness through campus wide programming. Keep an eye out for the HSC Intentional Living series in campus promotional items and the HSC Daily News.
For more information and to check your wellness, visit:
students.ouhsc.edu/SCS

Student Counseling Services counselors@ouhsc.edu

The OU College of PHarmacy

is committed to contributing to society through state-of-the-art education and research as well as modern, innovative pharmacy practice and services.

Hudson College of

Public Health

publichealth.ouhsc.edu

The OU College of Public Health

is home to research dedicated to protecting and improving the public’s health. The areas of research are widespread, from tobacco prevention and cessation to cardiovascular diseases in American Indian populations.

Student Affairs

students.ouhsc.edu

The goal of HSC Student Affairs

is to enrich students’ academic experience by building a diverse and inclusive community, supporting emotional, intellectual and personal growth, facilitating professional development and providing guidance toward a professional health career.

HSC Behavioral Intervention Team

ouhsc.edu/BIT

All students and employees should consider it their responsibility to report concerning behaviors to the HSC Behavioral Intervention Team (BIT) (for the safety and well-being of the HSC campus community).

The purpose of the OUHSC BIT is caring, preventive, early intervention with an individual (student, faculty, or staff) whose behavior is disruptive or concerning.

Contact BIT: (405) 271-9878 (9248)
bitt@ouhsc.edu

Online Reporting Form

ouhsc.edu/BIT

E-Bills

ouhsc.edu/BIT

Each month, the Bursar’s Office will email you a link to view your e-bill, which includes tuition, fees, housing, parking tickets, etc. It is very important that you check these. You can save ESG by paying your account before the last day of the semester. After that, late fees will be assessed. The payment deadline is the 15th of each month.

Contact hscdailynews@ouhsc.edu with questions.
The University is committed to creating and maintaining a community where all persons who participate in University programs and activities can work and learn together in an atmosphere free from all forms of harassment, exploitation, or intimidation.

students.ouhsc.edu/Sexual-Misconduct

The University of Oklahoma is an institution built upon honor, integrity, trust, and respect. Consistent with these values, the University is committed to providing a safe and non-discriminatory learning, living, and working environment for all members of the University community. The University of Oklahoma does not discriminate on the basis of sex or gender in any of its education or employment programs and activities. As discussed more fully below, the University’s Sexual Misconduct, Discrimination, and Harassment Policy prohibits all forms of sexual harassment, sexual violence, sexual exploitation, relationship violence (domestic violence, dating violence), stalking, and retaliation.

Know the Policy

University policy prohibits:

• Sexual Violence: Physical sexual acts perpetrated against a person or where a person is incapable of giving consent.
• Consent: The act of willingly and verbally agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what they are agreeing to. Consent to sex means “Yes” at all times. The absence of “No” means “Yes.” In order to give effective consent, one must be of legal age and have the capacity to consent. Incapacity may result from mental disability, intellectual disability, unconsciousness, age, use or abuse of drugs, medication, and/or other substances. In addition, consent cannot be used to gain consent. Consent is defined as the act of using pressure (including physical pressure, verbal pressure or emotional pressure) to obtain sexual contact or conduct, or to engage in sexual contact or conduct against someone’s will or with someone who has already refused.
• Sexual Exploitation: Taking consensual, unjust or abusive sexual advantage of someone without their consent, where a person is incapable of giving consent.
• Dating/Domestic Violence: Violence, including assault, battery or other physical acts against those in an intimate or dating relationship with each other.
• Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or cause substantial emotional distress.

Know your Rights

Sexual misconduct/violence victims have the right:

• To be informed of all reporting options.
• To be free from pressure to make a criminal report.
• To be offered all possible accommodation. Privacy and location confidentiality are available.
• To be offered financial assistance.
• To engage in the complaint process and to appeal the outcome of the complaint.

Know what to do if you or a friend experiences sexual violence

If you or someone you know is experiencing sexual violence or the fear of violence, call 911 or go to a local emergency room immediately. Victims of sexual assault may also call the Oklahoma Sexual Assault Hotline (1-800-780-7273) or the YWCA in Oklahoma City offer these services. The YWC has also developed an online confidential crisis chat. Visit ywcaokc.com.

After a sexual assault or other sexual misconduct incident, a victim has many options and an OU Advocate can explain these options and provide support. (OU) Advocates serve as a confidential primary contact for the University community in cases of sexual assault/misconduct, relationship violence, harassment, or stalking. Advocates are available 24/7 to help navigate the administrative, medical, law enforcement, and legal systems. OU Advocates also assist victims with on-campus housing changes, academic assistance, and other remedial referrals for victims. OU Advocates can assist with referrals for other helpful services. To contact OU Advocates, please call (405) 613-0015.

HSC Student Affairs can also be a helpful resource by (i) providing support for students to service sexual misconduct/violence victims (faculty, staff, or students); (ii) informing victims of available campus resources and disciplinary processes and allowing victims or other support to victims, (iii) conducting education programs to enhance awareness of sexual misconduct/violence and (iv) providing necessary accommodations regarding the possible need for a criminal complaint. To contact HSC Student Affairs, please call (405) 271-2710.

To file a report and commence an administrative investigation by the University, contact the Title IX/Sexual Misconduct Officer at (405) 271-2110 or electronically at sex misconduct@ouhsc.edu. For a printed brochure regarding the Sexual Misconduct, Discrimination, and Harassment Policy, please call (405) 271-4716. Please note that the University’s policy is applicable, and resources are available, during a person’s entire HSC educational and/or employment experience.

ADRC Information

What is the Accessibility and Disability Resource Center?
The Accessibility and Disability Resource Center (ADRC) provides services to students with disabilities to ensure that they have equal access to education, housing, events, and activities on all three University of Oklahoma campuses. The ADRC also oversees digital and structural accessibility.

What kinds of disabilities does the ADRC accommodate?
A disability is defined by the Americans with Disabilities Act, as Amended as a mental or physical impairment which substantially limits one or more major life activities. Examples of disabilities are:
- Mobility
- Psychological
- Autism Spectrum Disorders
- Auto-Immune Illnesses
- Physical Disabilities
- Blind/Low Vision
- Deaf or Hard of Hearing
- Learning Disabilities
- ADHD
- Chronic Health Conditions

How are Reasonable Accommodations determined?
Accommodations are determined through an interactive process on a case-by-case basis, taking into account:
- The student’s self-report
- Any past history of accommodation
- The professional judgment of the ADRC staff
- Specific accommodations you would like to use
- Course number(s) for the courses in which you want to use your accommodations
- OUHSC ID# or the unique characteristics of each course/program
- Documentation from external sources
- Support services
- A diagnostic statement clearly identifying the disability
- A description of the expected progression or stability of the condition
- A description of current and past accommodations, services, and/or medications
- A description of the expected progression or stability of the disability
- A diagnostic statement clearly identifying the disability
- A description of the expected progression or stability of the disability
- A description of the diagnostic methodology used
- A description of the standard of care
- A description of the current functional limitations
- A description of the diagnostic methodology used
- A description of the current functional limitations
- A description of the expected progression or stability of the disability
- A description of the expected progression or stability of the disability

How to request your accommodations
In order to receive your approved accommodations, you must first formally request them. Because accommodation needs may vary from class to class and term to term, we ask that accommodations are requested 5-10 university days prior to the start of every term. Accommodations may be requested at any time during the semester, however please keep in mind that accommodation requests typically take 3-5 university days to be processed.

To request your accommodations, you must send your request via email to Dr. Guttery (clguttery@ou.edu) and/or Angela Barbour (angela.barbour@ou.edu) and include the following information:
- OUHSC ID#
- Course number(s) for the courses in which you want to use your accommodations
- Specific accommodations you would like to use

What do I need to provide for documentation?
Full details on the registration process may be found at http://www.ou.edu/drc/drc-registration.

What do I do if my accommodation needs change?
If you feel that you need different and/or additional accommodations please call the ADRC at 405.325.3852 to schedule an appointment with Dr. Guttery or Angela Barbour. Depending on the desired accommodations, additional documentation may be required.

What if I have a Temporary Medical Condition?
Throughout the course of their education students may experience a temporary medical condition, such as a broken bone, a concussion, adjustment disorder, pregnancy, or extended illness. The ADRC may provide temporary courtesy services for the duration of the condition. In order to do so, documentation must be submitted to the ADRC which includes the diagnosis, prognosis, and recommendations for services from a licensed provider qualified to do so.

How do I get accommodations for 3rd party examinations (i.e. board exams)?
To begin the process, the student will need to complete a Release of Information form which indicates the information which the student is requesting to be provided, i.e. a Letter of Accommodation and/or for a form to be filled out. If a form is required, it is the student’s responsibility to provide that form, and any other pertinent information, to the ADRC. Many organizations have recency requirements for documentation, so re-assessment may be necessary.

Letter requests typically take 5-10 university days for completion, so it is important to send the request well in advance of when it is needed.

I have more questions; where do I go?
Please call the Center at 405.325.3852 to speak with Dr. Guttery or Angela Barbour. You may also send questions via email to clguttery@ou.edu and/or angela.barbour@ou.edu.
